BRANT BROUGHTON CE METHODIST PRIMARY SCHOOL

WEEK BEGINNING: 7TH NOVEMBER 2022

Dear Parents,

It has been lovely to walk around the school the past week and see the children fully immersed and enjoying their learning. I have had lots of interesting conversations with children about their essential question, what they have learned so far and even what they have brought in or completing for their homework.

### **Parking**

A number of parents and members of the community have expressed concern once again for the safety of children due to the number of cars on the yellow zigzags outside school at the start and end of the day. Please can you ensure that you park safely at either end of the road or elsewhere in the village.

### **Staffing**

As Mrs Miller is now on Maternity Leave, Mrs Marshall has been teaching Leopards Class for Thursday afternoon and Friday all day. This will continue for the remainder of the school year. From January, Mrs Botham will return to teaching Pandas class full time.

### **Remembrance Day**

School has a box of Poppy-Related items to sell with proceeds going to the British Legion. There are metal poppy pin badges for £1; poppy keyring reflectors for 50p; silicon and elastic wristbands for £1.00 and snapbands for £1.50. If children can bring the correct change, this is really helpful as money goes into a sealed container. Many thanks for your support of this worthwhile charity.

### **Flu Spray Mop up**

If your child missed the flu spray and you would like them to have it, there will be a mop up clinic on Monday 28<sup>th</sup> November. If you would like the link to register your child for this please email Enquiries.

### **A Date with Dan: Free TEAMS Online Safety Q and A for Parents and Guardians, 7th December 6-7pm. Sign up required**

Over two thirds of students surveyed in the LSCP 2021 Keeping Safe Online Survey indicated that their parents didn't know everything about their online activities. The survey also showed when parents talked openly to their children about their activity online, those students were less likely to experience cyberbullying and more likely to access support. We want to give you the information and tools to help you feel confident enough to protect your children and young people from online harm. Dan Hawbrook our resident Online Guru will chat you through different apps, online trends, parental controls and any other burning

### Anti-Bullying Week

The week beginning 14<sup>th</sup> November is anti-bullying week. If your child would like, they can wear odd socks to school on Monday 14<sup>th</sup> November to celebrate everyone's differences.

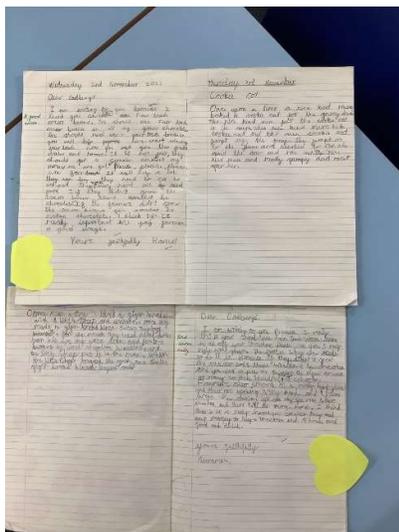

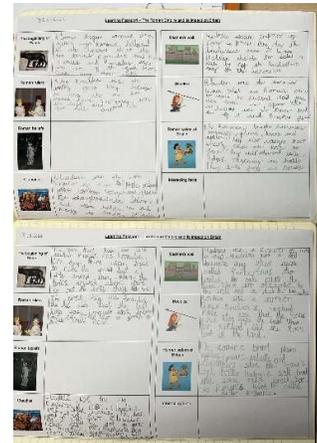

### Class Learning

This week the reception Polar Bears have spent their week finishing off their junk models of the village while the Year One children have been busy making puppets. They have also been using stop motion to film their comic strips. Next week, the children will be recording their voices to go over the top of their film.

Leopards class have been thinking about why we should buy Fair Trade goods. We have written persuasive letters to share our views. Look out for the Fairtrade label on goods when you go shopping!

White Tigers have been learning all about the Romans and have even started to gather their facts together so they were able to write non-chronological reports.

The Pandas have spent their week looking at writing their own narratives and what makes a good story. They wrote their own story about a troll and then moved onto writing a flashback story based on one of the characters; Iris Archer from the book 'A Place Called Perfect'.

### Celebration Worship

#### Learning

Oliver, Ray and Flynn shared their introductions to their flashback stories based on their class novel 'A Place Called Perfect'. All of the introductions introduced snippets of key information and had lots of description.
