

*Brant
Broughton*
Church of England Methodist
PRIMARY SCHOOL

From The Governing Body

We had hoped that Mrs Moore would return at February half term; unfortunately, her rate of recovery has meant that we now anticipate her back towards the latter end of the Spring term. Mr Wells' time with Brant Broughton is coming to an end and he will return full-time to Claypole after the half term break. For the interim period before Mrs Moore's return, the school will be led by the Headteacher of Kirkby-On-Bain, Miss Georgina Day: she is an experienced Headteacher of a Church of England school and has already been briefed by the Local Authority and is very much looking forward to working with the school to continue the positive progress being made. Miss Day will be visiting our school on Friday morning to meet the staff and there may be an opportunity for you to meet her if you are in school to see your child's work. In the first week after half term, Mr Wells will spend time with Miss Day and the team to complete the transition of plans, reports & information to the new interim leadership. We are confident that the good work already started will continue.

On behalf of the Governing Body and the school community, we'd like to thank Mr Wells and the Governing Body of Claypole C.E. Primary School for supporting our school during Mrs Moore's absence. There have been challenges along the journey, but Mr Wells has faced them, put in place a series of positive changes which has accelerated progress in school, developed curriculum and planning for the coming terms & academic year... helped lead the school through our recent Ofsted inspection and been a 'rock of support' for the staff.

We wish the staff & governors of Claypole every success in the future and know that the liaison which has developed amongst colleagues will remain.

In the meantime, we will endeavour to keep you up to date about Mrs Moore's return as and when we know more and wish her a speedy recovery.

Kind regards,
Judith Burnett
On behalf of the Governing Body
