This week's Worship

This week we have been inspired by the story of the wise and foolish builders. We have been asking ourselves the big questions: What strong foundations are we building?

Don't forget...Changes to FSM

From September 2026, changes to the eligibility rule mean that more families receiving Universal Credit may qualify for Free School Meals.

If you have never applied before, now is the time to check. It is completely free and takes 2 minutes.

- Healthy school meals
- Save over £500 per child each year
- Extra funding for your child's school

Safeguarding – Benedict's Law

From September 2026, Benedict's Law strengthens allergy safety in schools. All our staff have received allergy and anaphylaxis training, including how to recognise a reaction and use an adrenaline auto-injector (AAI).

Our Allergen Lead is Miss Clarke.

Please keep us updated about any allergies or changes to your child's medication.

Photos

In line with Government Safeguarding Guidance and GDPR regulations, we will be having a cleanse of the school facebook page over the coming weeks. Any posts and photos that are more than 2 years old and/or include children not currently on role, will be removed.
