Safeguarding Spotlight

WhatsApp is a popular way to keep in touch, but group chats can sometimes lead to friendship fallouts, unkind messages or children feeling left out. A quick reminder that WhatsApp has a minimum age of 13 in the UK. If your child uses messaging apps, please check who they're chatting with, review their privacy settings and remind them to think before they send!

If your child receives an upsetting or inappropriate message, encourage them not to reply, save a screenshot and tell a trusted adult. You can also block and report the sender through WhatsApp. If concerns involve other children in school, please let us know so we can offer support.

Wellness Wednesday

There were some great entries for the half term Wellness Challenge.

Everyone who completed the challenge was able to pick a pin badge from Miss Maclachlan's prize box.

This week we looked at how our body gives us cues when we are in the different zones and what these might include e.g. sweaty palms, clenched fists, racing heart.

This week, the children's challenge is to try and tune into their body and feel for those cues.

Key dates.....

- 9th November - After school clubs start - book on Parentmail
- 13th November - Children in Need Non-uniform Day

This week's Worship

This week we asked the Big Question: Does one person really make a difference?
Inspired by the story of how a shepherd was determined to find his lost sheep, we have been thinking about the difference one person can make.
