Children In Need

A fabulous amount of £822.50 was raised for Children In Need last week. Thank you for your generosity and supporting disadvantaged children around the nation.

Parents Evening

It was lovely to see many of you at this week's Parents Evening. I hope you found it informative and reassuring; many of our Y5/6 families found time to pop in to meet with Miss Nicholson too. My ruling is that there should never be any surprises across the table (from teachers or parents); contact with each other is crucial in children's success. Please reach out if you have any concerns.

Volunteers

On the note of positive partnerships, if any parents (or grandparents) have any time that they can give to school during the working week, we'd love to hear from you. There's lots to achieve and always opportunities for children to read to an adult: they do love it... and so do we. The love of reading is so important.

If you are able to share any spare time, please could you reach out to us.

We are deep into the Autumn term and the autumn leaves have fallen... and so has the temperature. However, the darker nights allow some time for reading by the fire and reflecting. It is easy to become glum when it is so dark so early and days feel so short. With this in mind, I share with you all the words of Emily Bronte, who said: *"Every leaf speaks bliss to me, fluttering from the autumn tree."* Enjoy an autumnal weekend when it comes.

Best wishes,

Parent Governor Vacancy

Have you ever considered giving back to the community you live in?

At Brant Broughton C.E. Methodist Primary School, we're looking for a parent/carer who feels that by giving back they could have a positive impact on our school and community. We have a vacancy for a Parent Governor within our Governing Body.

The role of a Governor is simple: it can be described as **monitoring and evaluating the progress of the school**. This involves being curious, critical, and confident in asking questions. As a governor, you should be good at problem-solving, and prepared to give and take advice.

So what's required of the role?

 We meet twice a term (6 times a year) for approximately 2 hours for our Full Governing Body meeting and committee meeting

 As a governor, it's great to get into school at least once a month for a couple of hours to meet with the school team and observe school life in action

 Being curious and asking questions is key. Challenging the school to continually develop, enhance and grow the offer to our support our children's success is a priority

If this sounds interesting then please do get in touch:

 enquiries@brant-broughton.lincs.sch.uk  [01400 272035](tel:01400272035) **Deadline is: Friday 6th December 2024**

We are looking for individuals who have experience in Finance, Health and Safety or just a passion to support their local community and school. We'd love to gain some local support in our governor team.

From Judith Burnett, Chair of Governors

Dear Parents and carers

As you are aware Mrs Moore is currently absent from school following recent planned surgery. I am to confirm that all went smoothly and that she is now convalescing and recovering at home. Unfortunately, however, it is identified that further more intrusive surgery is needed. This will incur a further period of time for recovery.

I am sure that you will join the governors in wishing Mrs Moore a return to full health and the time to be able to concentrate on her health and recovery.

We are fortunate to be supported by Mr. Wells and the Local Authority during this period, which at a time of transition and change is both welcome and necessary. Mr. Wells will be remaining with our school after the Christmas break providing stability of leadership and a continued improvement in school and bringing the school's vision and values to life

The governors will provide a further update when it is possible and appropriate to do so.

Yours sincerely

Judith Burnett Chair of Governors (on behalf of the Governing body)
