

Homework Autumn Term 2020

Christian Values: Responsibility, Endurance, Resilience

For your homework project, you can choose four (or more) options from any of the activities below. They are all connected to our Christian Values for the term. You can email a photo of you completing one or more of these or you can talk about it in school.

We are looking forward to seeing and hearing all about your ideas!

Do a litter pick somewhere near where you live. You could join the Pandas Litter Picking group who meet on Saturdays at 3pm by the Pavillion on the Village Playing Fields or you could do your own!

Donate some of your pocket money to a charity you really care about.

Write a postcard or email to an elderly relative or friend who lives a long way away to let them know you are thinking of them.

Take responsibility for a new job at home, it could be emptying the bins, helping with the washing or cooking dinner or taking responsibility for a pet.

Buy a poppy - or poppy-related item - from school or somewhere else. Find out what it represents.

Find out about a famous person who has shown resilience in their lives. It could be a sport star, a historical figure or someone you know.

Take part in the Couch to Tokyo Challenge by biking, scootering, walking or running some of the distance required for our school to reach Tokyo. Enter it on to the website using the link at the bottom of the page.

Find out about the work of Christian Aid. What do they do? Who do they help? Talk to your class about what you have discovered. How do they show the Christian Values of Responsibility, Endurance and Resilience?

Show endurance through a sporting challenge such as how long you can skip for, how many jumps you can do in a minute. Record it and try and beat your score over six attempts. Remember to show your resilience if it doesn't always go to plan!
