

Dear Parents,

Thank you to those of you who were able to join us at the Remembrance Service at St Helen's Church on Thursday. We have spent most of this week thinking

about this important theme as part of our Collective Worship on the value of Responsibility.

We will continue to think about this theme in the coming week as it is Anti-Bullying Week. We have already started thinking about a definition of bullying using the initials STOP to represent:

Several Times On Purpose, as our understanding of the difference between being unkind and bullying. We will be thinking about this year's theme of Anti Bullying Week which is 'one kind word' as the week progresses.

### Class Learning

White Tigers have been writing a description of their own firework display. They have also been thinking about remembrance from the perspective of different religions.

Leopards class have been creating some landscape artwork using the theme of remembrance. They have drawn some careful battlefield scenes using photographs to help them.

The Pandas class have been playing glockenspiels this week to create their own musical version of 'Livin' on a Prayer'.

Polar Bears class have been looking at features of non-fiction books ready to start writing their own fact files. They have also been looking at animal habitats.

### PTA Chair Vacancy

Today is the deadline for anyone to nominate themselves to become the new PTA chair. Please speak to a member of the committee or email enquiries if you are interested. There is a PTA meeting this coming Friday 19<sup>th</sup> November straight after school, you can leave your children at After School Club for free childcare if you send them with their own snack as normal.

### School Meals

We are really excited to let you know that we will have a new school meal provider from January 2022. We believe that the new provider will give an improved quality of food and improved choice for families. The provider we use is called Good Lookin' Cookin' and currently supplies to a number of other schools in the area, all of whom are delighted with their food and the ordering process. Their menus are developed in line with School Meals Legislation and are nutritionally analysed to ensure they contain less fat, salt and sugar. If you want to take a closer look their website is:

<https://www.goodlookincookin.co.uk/>

They will be providing a taster session for you and your children to try some of their food on Monday 29<sup>th</sup> November, straight after school in the hall. Feel free to come along and have a sample!

### Children in Need

The children will be able to wear something yellow and / or spotty on Friday to celebrate Children in Need Day. This can be in addition to their uniform or instead of it if they have a full outfit! They can bring £1 to donate to the charity if they would like to.

### Caring2Learn

We are delighted to announce that school has been awarded the Silver Caring2Learn Award. The award recognises the amount of support and encouragement vulnerable, looked after and all pupils receive to achieve their full potential. The award is externally validated by the Caring2Learn Project which is funded by the DfE. Mrs Simeoli has worked

really hard to present our case which is a tribute to the caring nature of all of our school staff. You will see the logo start to appear on our letterheads from now on!

### Parent Governor

Please ensure any voting forms for the Parent Governor Vacancy are in school by the deadline which is this Thursday, 18<sup>th</sup> November.

### Water Bottles

We still have plenty of our new logo coloured water bottles available to purchase, they are £3 each. You can either pay with cash, or alternatively if you email enquiries, this can be set up on Parentpay if you prefer.

### Sports Report by Grace Hodgkinson

On Friday 5<sup>th</sup> November, Jack, Molly, William, Lottie, Alex and myself attended Cranwell Primary School. We were taking part in six netball matches that were ten minutes each. The schools we played against were: Winthorpe, Blue Cranwell and Yellow Cranwell. We came second and Winthorpe came first but we still qualified. Mrs Botham was probably more excited about qualifying than we were! We were pleased, but more shocked than anything else. During the game, everyone was nervous but we switched place every match.

Thanks to the parents who helped us get to the event. Thanks to Mrs Botham for support and training on Monday nights, along with Mrs Harrison.

### **Sports Report by Eabha Shipton and George Airey**

On Friday afternoon Arthur, James, Jamesdean, Hughe and us joined in the Multi-Skills with some other schools on our playground.

We played Stuck in the Mud and other games where you had to throw balls and collect cones without being tagged. Our favourite game was the one where we collected the tags from other players. We loved running and grabbing the tags.

It was really tiring but we really enjoyed it. We got to play with lots of other people from other schools and it was fun.
