

Dear Parents,

Over the week we have been working hard on our personal responsibilities and encouraging children to think independently. They have worked really hard at this and we have been able to award plenty of values points for this too. We really appreciate parents helping with this as we move forward as it is a theme we will continue to develop.

Parentmail

We are aware that some weeks we are sending frequent Parentmails to remind you of events that are coming up in school. We know that usually these are activities / events that are already referenced in our weekly newsletter. We are aware that sometimes it is very hard to keep on top of all the communication from school. For this reason, we are attempting to limit the Parentmail reminders as much as possible moving forward. **It is therefore up to parents to please ensure that they are reading the weekly newsletter for important information which will not be reiterated in a further Parentmail.**

Class Learning

Pandas class had a brilliant morning at Lincoln Central Mosque on Wednesday. They were so excited to be out on a school trip after such a long time. They were genuinely interested and asked some great

questions about the art and architecture of the mosque, comparing this to St Helen's Church that they visited a couple of weeks ago.

Leopards and Polar Bears have been busy planning for their nativity, singing songs and making up actions to go with them ready to perform at the end of the term.

White Tigers class have been researching the history of the poinsettia plant in relation to Christmas.

School Meals

We are really excited about our new school meal provider, Good Lookin' Cookin' who will start in January. They are providing a taster session **today** straight after school in the hall. They have promised that there will be plenty of food to try – parents and children are able to have a taste and ask any questions. Food will need to be ordered in advance from their website, this can be done either on a weekly basis or termly. **You will need to set up an account on their website, attached is the appropriate link.**

Sports Report

Grace, Alex, Jack, William, Sophie and us all went to St George's school to participate in the netball finals.

This was on Friday 19th November in Sleaford. With one less player in the first competition, we nervously went through to the finals. Unfortunately we did not get told what place we came but we won one match and tied another out of eight nerve-wracking matches. We have four minor injuries but we carried on playing.

Thank you to all our transporters and definitely to Mrs Botham for keeping

us on our feet and for signing us up.
