BRANT BROUGHTON CE METHODIST PRIMARY SCHOOL

WEEK BEGINNING: 24TH JANUARY 2022

Dear Parents,

Lots of the children have enjoyed the frosty mornings over the last week, writing their names in the frost on the different surfaces has been great fun at playtimes!

Class Learning

Polar Bears class have been locating London on a map, and then labelling capital cities of UK.

The White Tigers class have been considering the key question for their project which is, 'what is the value of a story'. They have also been investigating the origins of storytelling, looking at examples from the stone age.

Pandas class had an exciting day on Friday taking part in Game of Actual Life. The experience was run by Premier Education and involved them taking on a role play where they had a job with a salary and outgoings to budget for. They learnt about tax, insurance and how to manage their finances. It was a really valuable day that I am sure they talked about when they got home!

Leopards class have been considering what they think God is like. They had some thoughtful ideas about who God is and where he might be.

Values Points and Celebration Worship

This week we have shared learning from Leopards class who have shown their animal print t-shirts and from White Tigers class who shared some of their story writing based on Theseus and the Minotaur. The Polar Bears and Pandas class teachers awarded their Values Certificates to James Bush for an improving attitude to learning; Sophie for being the first 'word millionaire' on Accelerated Reader; Harry Fraser for being a kind and helpful friend and Tommy for his huge improvement in reading. Well done to those people.

We have also given certificates to the following children who have gained their 25 Values points and added their photograph to the Values Board in the hall:

Molly, James B, Chloe, Thomas, William, Vinnie, Jacob, James S, Aaleah and Hughe.

Our 50 Values Points winners is growing, and all these children have moved their photograph on the hall board to the '50' box this week, they are: Sophie, Grace, Harry R, Sol, Felix, Sophia, Bradley and Henry W. A BIG well done to all of you!
