BRANT BROUGHTON CE METHODIST PRIMARY SCHOOL

WEEK BEGINNING: 27 JUNE 2022

Dear Parents,

Last week we welcomed our new Polar Bears into school for a visit prior to them starting full time in September. They seemed to settle in really easily, Mrs Curtis and Mrs Hewkin really enjoyed meeting them. They will have another visit next week and will have further opportunity to make some new friends with others in Leopards and Polar Bears.

Class Learning

Polar Bears Year 1s have been learning how to make Powerpoints and have been using their knowledge of kings and queens to make this. Reception children are working on sentence writing and enjoying learning how to ride balance bikes.

White Tigers class have been learning how to play some 'Viking saga music' on glockenspiels ready for a performance later in the term.

The Pandas class have been making electrical circuits as part of their science work during the week. They have also completed some instruction writing for how to make a pizza.

The Leopards class have used their historical knowledge of Vikings and Romans to continue writing their stories thinking about how to use their skills to make an exciting adventure in the middle of their stories.

Summer Concert

The Summer Concert will take place on 13th July at 3:45pm. The choir are practising hard for this. We have had a few issues with older children dropping out of choir just as we are approaching final rehearsals. This is creating some problems as we are missing the most confident singers for our final performance of the year. Please could you encourage your child to continue until 13th July where we will be really proud to have them represent the school – especially as it will be Mrs Smart's last concert!

If any instrument players would like to play a single piece as part of the concert, please email enquiries with the name of the piece **by Friday 8th July** so that I can include it in the programme. If any parents, or other family members would like to come to the concert, please feel free to join us. We are inviting some of the Lincolnshire Music Service teachers to come and along and talk briefly about the opportunities for instrument tuition in the coming year. Taster sessions are also available for Piano / Keyboard should this interest your child from September (Year 2 upwards).

After School Club (BBase)

Just a reminder that we require two weeks' notice for prebooked and then subsequently cancelled sessions to avoid being charged the exception to this is illness. Thank you.

Non Uniform Day

A reminder about the Non-Uniform Day on Friday, 8th July. Instead of donating money, parents are asked to supply a tombola prize for the Summer Fair in exchange for non-uniform. Your support is much appreciated.

Staffing

This week we have interviewed for the part-time teaching position for the Autumn term in Pandas class.

We are pleased to let you know that Mrs Sarah Marshall has accepted the post. She will be teaching Pandas Class for two days a week while Mrs Botham fulfils her duties as Head of School during the days I am supporting St Sebastian's CE Primary and Marston Thorold's Primary as Interim Executive Head.

Mrs Marshall is a very experienced teacher who has worked as a classteacher, deputy and Acting Headteacher – the children have really enjoyed a lesson with her this week and we are really excited to welcome her to our happy team.

Photo Orders

Final reminder for photo orders which need to be in by 28th June please. Later orders may not be fulfilled until September.

Raffle tickets are about to be sent out by the PTA in advance of the Summer Fair, these will be sent out to each family, we would be grateful if you could try and sell these. Sports Report

On 17th June, eight children from Pandas class went to an Athletics Competition for Year 5 and 6, held at St Botolph's Primary School. The children were Sophie, Chloe, Molly, Charlotte, Jack, Eddie, Alex and William. We did a spring, a long distance run, standing long jump and a 'howler' ball throw. We didn't win any awards but we tried our best and left feeling happy. Mrs Jackson was our supporter but we also supported one another. Before and after each race, the team congratulated

each person for their efforts. Everyone did very well with their times and scores and we were really pleased to take part.
