

Dear Parents,

We are expecting a really hot week all week, please ensure your child has their water bottle in school, sun cream already on and a sun hat. Thank you.

A reminder that for safeguarding reasons and to ensure that children are not losing valuables, please do not send in watches which take photographs. Watches that distract children will be removed from them until the end of the school day.

Class Learning

Leopards class have completed some amazing pieces of writing in composing letters to me to ask where they can bury their time capsule as an end to their project: 'What matters more the past or the future?'

Pandas class have been evaluating their pizza making from last week. They have also started some story writing.

White Tigers class have been learning about shapes and angles and the Year 4 children in particular have been learning to read coordinates.

Polar Bears class have been writing acrostic poems about kings and queens and also having a try by themselves to write poems about respect.

Leavers' Disco

A reminder that the deadline to return slips is today.

Summer Fair

We are all getting excited about the summer fair next weekend. There are lots of exciting things to do including pony riding, a science demonstration, the finals of the talent show as well as a barbecue and other refreshments. We hope to see as many of you there as possible. If you have any items to donate such as books or toys, please send these into school before Friday. Thank you for the raffle and tombola prizes already donated. The proceeds from the fair will contribute towards the whole school trip to the pantomime in December. If anyone can spare any time on the day to assist, even for just a short period of time then please advise our PTA team – your help will be very much appreciated.

Summer Concert

The Summer Concert will take place on Wednesday 13th July at 3:45pm. If you are able to provide any cakes or biscuits for refreshments afterward, please can you send these to school on the Wednesday morning or straight after school. Thank you.

WEEK BEGINNING: 11 JULY 2022

Sports Day

Sports Day will be on the morning of Thursday 21st July with Polar Bears and Leopards completing their races from 9:15am on the field. White Tigers and Pandas will be completing their races from 10:30 until 11:45. The children will have already completed some other field events and a long distance run, which all get added to the points total for their colour team. The children are either in red, blue, green or yellow team for the event. It is helpful to the children cheering on if all pupils wear the colour t-shirt of their team. Most children who were here last year, will be in the same colour as they were last year. Obviously, some children have left and others have joined so some movement is essential to even this up. Please ask your child what colour team they are – we regard this as an important part of responsibility! Thank you for your support.

Staffing

Mrs Miller, who is teaching in White Tigers class on Fridays at the moment is expecting her first baby. We are really pleased about her exciting news. She will teach Leopards class as planned until October half term for Thursday afternoons and all day on Friday. We are hoping she will return to school before the end of the next academic year. While she is on maternity leave, we will appoint another member of staff for these days and will be ensuring that we can have the same person to provide continued high quality teaching.

Mrs Turner's last day in school is today. I know you will wish her well as she starts her new job. We will miss her terribly. Mrs Botterill will be in the office every day until the end of the term. From September, Miss Foster will be in the office from Mondays to Thursdays with the support of Mrs Botterill two and half days a week. We are hoping to maintain the same high standards of administration that we have all been used to but please bear with us during this time of transition!

Talent Show

I know lots of children have been busy practising for the Talent Show requested by a number of children in Pandas class a few months ago and also by the Pupil Council. We will be watching and taking part in the heats on Friday afternoon in school. A The Pupil Council will be collecting the entry fee of £1 per person from today. The finals will be held during the Summer Fair – the children will vote for the best entries.

Singing Lessons

If there is anyone else who would be interested in their child having singing lessons, in the same way that individual music tuition works, please can you email enquiries as there is a possibility of us being able to offer this from September if there is enough interest. So far we have had three children interested.

Raffle Tickets

A reminder that raffle tickets – sold or unsold need to be returned to school on Wednesday please.
