BRANT BROUGHTON CE METHODIST PRIMARY SCHOOL

WEEK BEGINNING: 17TH OCTOBER 2022

Dear Parents,

We are so excited to be able to use the new pirate ship that has finally been finished after much anticipation. The children who are in KS2 will be given the opportunity to access

the ship one afternoon this week. After this time, the KS2 children will continue to use their gym equipment and the KS1 children the ship at breaktimes. Newby have also worked hard on developing our 'Vision Garden'; the children enjoyed reflecting, and having a quiet space to go, incorporating our Global Goals and 'alls' into daily life last Friday.

We are now coming up to the end of Autumn term one with the next week being half term; I think we all deserve a week off! We look forward to welcoming you all back to school on Monday 31st October.

Website

The website class pages have been updated with the project plan and homework grids for this term should you wish to take a look.

Staffing

We would like to welcome Mrs Sam Allen to our staff team. Mrs Allen will be working at lunchtimes, some Breakfast and After School Club sessions. She will be replacing Mr Whittaker at these times who is spending more hours in the classrooms supporting learning.

BRANT BROUGHTON CE METHODIST PRIMARY SCHOOL

WEEK BEGINNING: 17TH OCTOBER 2022

are welcome to join us. This year the Pupil Council have decided as a school we should collect donations for the Food Bank in Lincoln as we are aware that this time of year can be extremely tough on some families especially with the 'Cost of Living Crisis'. They are in urgent need of: tinned soup, tinned meals, tinned fruit, pasta sauce, rice pudding and custard. If you could spare any of these items we would be grateful. We are aiming to have all items in school for the Harvest Service.

PTA Treat Sale

PTA are holding a treat sale after school this Friday. Any donations of cakes or biscuits (bought or homemade) would be gratefully received! The treat sale will be held at the school gate at 3:10.

Change for Life Year Three Transition Sports Report

On Friday last week, lots of Year Three children went to Poplar Farm School with Mrs Jackson. We did lots of different activities. We had to do things like pick a card and then do that action and the other players had to guess it. One activity was when our arms were all tangled and we had to work together to untangle them. There was one where we needed to use everyone in our group to make words using our bodies for the shapes. We had to copy the person at the front and do what they were showing us to do. There was a blindfold one and our partner had to direct us to the other side and make sure we didn't touch the cones. We all did really well and we felt so good doing it. Our favourite bit was the cone game, because it helped us to learn directions and that is something we've been doing in our computing lessons. Thank you to the adult for taking us because we had loads of fun!

Vacancy

We still have a lunchtime supervisor vacancy available at school. If you are interested in applying please email enquiries as soon as possible.

Class Learning

Polar Bears have been building Brant Broughton village out of junk modelling, this ties into the Year One children's comic strips and the Reception children's super hero stories. The Leopards have looked at the traditional tale of 'The Gingerbread Man' and created their own story mountains and maps in order to write and retell the story to others.

White Tigers have written their first draft of their explanation texts about natural disasters.

Finally, the Pandas have been working on writing a persuasive letter for a fashion company of their choice. They have focused on using formal and persuasive language, the structure and layout of the letter and including true facts.

Phonics Meeting

Mrs Curtis will be holding a phonics meeting on Tuesday 1st November at 2:30. This is an opportunity to find out about Phonics Bug, how it is taught at school and how you can support your child further at home.

Spare Pants

If your child has grown out of their old pants (ages 4 upwards) and they are in good condition; please could you bring them to the office so they can be stored in Polar Bear's classroom.

Celebration Worship

Learning

The Leopards shared their chocolate factories that they have completed for homework. These link to some of the class book they have been reading and the clips they have also watched too. The details on each factory was amazing and each one was totally unique. In Pandas the children shared the costumes designs they had sewn based on their class book 'A Place Called Perfect'. They had also written their own descriptions for their costume ideas as well as a drawn design too.

Awards

In Polar Bears, Jasmine received her award for working so hard on her story mountain and how she has started to write it. Arthur and Scarlet H also received awards for how well they are doing in phonics, listening hard and trying their very best.

In White Tigers, Arthur received an award for his fantastic attitude to the increased expectations in KS2 and for working hard on his writing targets. Ella-Rose received an award for always trying her best, showing she is taking on new challenges and for growing in confidence daily.

Values awards

25 values points: Arthur C, Elsie C, Oona, Chrysta-Mae, Eddie, Chloe, Jesse DJ, Thomas F, Etta, Bradley T, Lewis, Imogen, Lyla, Charlotte, Mia and Skye

Reading Quiz Awards
