

Dear Parents,

What another fantastic week in school! There has certainly been lots of exciting learning happening in and around the classrooms. Within School, there have been many valuable conversations about the Queen. In Collective Worship, we spent some more time reflecting on positive memories of Her Majesty. It was especially lovely to see the children smile while watching the Paddington sketch. We hope that you have enjoyed the bank holiday with family and have maybe had chance to reflect or watch the funeral procession.

### **New Starters Service**

The New Starters Service will be held at 9am on Thursday 22<sup>nd</sup> September at St Helens Church. This is a chance to welcome our new reception children as well as children who have joined us throughout the last year, into Brant Broughton School. Parents are welcome to join us at the church for this service.

### **Pandas Swimming**

Pandas are now well underway with swimming. Just a reminder that swimming hats must be worn in the pool; this is a rule set by Sleaford Leisure Centre themselves.

### **Data sheets**

Data sheets went home last Monday they need to be checked and returned to school with any necessary changes by Monday 26<sup>th</sup> September. The children take this very seriously as it has annually now become a competition! The first class with every data sheet returned will be given ten extra minutes at playtime!

### **Sporting Events**

As you may have spotted there are some sporting events creeping back onto the list of key dates. These events are sometimes specific to year groups, abilities or interest. Mrs Botham has a record of the events, who they are aimed at and who has gone to an event previously. We try our very best to vary and ensure children attend events designed at them. We aim to ensure every child who would like to attend a sporting activity does so by the time they leave our school in Year Six.

### **Class Learning**

This week the Pandas have been starting to look at the features of a non-chronological report. Over the next few weeks they will be writing their own report on the production of a t-shirt. The White Tigers have been learning about tectonic plates and the ways earthquakes are recorded. They built their own cities and tested out how well they could withstand an earthquake depending on its strength.

Polar Bears have been looking at bats this week. They have learnt some key facts about these creatures and even made their own! Finally, the Leopards have been writing chocolate or sweetie shaped poetry. Their goal was to make the person reading their

### **Dates:**

#### **September**

**6<sup>th</sup>** - Back to school
